GLEANINGS.

An American minstrel troupe has made "Shoo Fy" popular in Hamburg.

Seventy-five cents a day and rats is the price of Chinese farm labor on the Pacific.

Fifty-one of the seven hundred and eleven students at Heidelberg are Americans.

The luxurious living of Charleston's able rulers makes taxes so high that disloyal real estate has to be sold to pay them.

The Pagan Indians have heard that "Nature formed but one such man, and broke the die in moulding Sheridan," and hope its true.—"Boston Post."

A young lady living in Quincy, Ill., has lost her voice from the effects of the sulphur used in making the lights in the tableau in which she took part.

There is a smart boy in Waupun, Wisconsin, who obtained some nuts and candy and then ordered a glass of beer at a saloon. He then deliberately walked off without offering to pay for what he had. The saloon keeper called him back and demanded his pay. The boy coolly remarked that, if he was made to pay, he would complain of the saloon keeper for selling liquor to a minor. He was let off.

Bad as Paris is, there are 300,000 women in that city who strive to earn a living by honest exertion. None of them get wages equal to the wages of the commonest servant girl in this country. Of these women, about sixty thousand employ the needle. The average pay they receive is twenty cents per day, while some receive as high as thirty cents, but the majority no more than twelve.

At a gaming room, in Antwerp, a man sat down and won 1,000 ducats, which he did not take up. It turned out that he was dead. The man in charge of the table then raked up the gold, saying that it belonged to the bank, as no engagement could have been entered into with a corpse. The heirs of the deceased are not convinced of the soundness of this reasoning, and they have commenced an action for the recovery of the sum.

PHALON'S

VITALIA;

or,

Savision for the Hair.

For Restoring to Gray Hair its Original Color.

PHALON'S "VITALIA" differs

entirely from all the "dyes," "colorers," and "restorers" (?) in use.

It acts on a totally different principle. It is limp, fragrant, and perfectly innocuous, precipitates

no muddy or flaccid matter, requires no shaking up,

and communicates no stain to the skin or the liner. No paper curtain is necessary to conceal its turbid appearance, for the simple reason that it is not turbid. It is, to all intents and purposes, A NEW DISCOVERY in Toilet Chemistry.

Phalon's "VITALIA" is warranted to effect a change in the color of the hair within 10 days after the first application, the directions being carefully observed.

IT IS AS CLEAR AS WATER : AND HAS NO SEDIMENT.

Price, One Dollar per Box
CONTAINING TWO BOTTLES.

SOLD BY ALL DRUGGISTS.

If your Druggist has not "Vitalia" on hand, write, enclosing \$1.00, and we will forward it immediately.

WILLcox & GIBBS

Family Sewing Machine

IS THE BEST FOR FAMILY USE.

WILL STITCH, HEM, FELT, TUCK, CORD, BIAS, BATTING, RIBBON, ETC., ETC.

RELIABILITY.—It is the FAIR, FAIR, FAIR

STITCH, from perfect work on the finest Satinsox,

over the heaviest Beaver Cloth and Linen, with NO

change of needle, thread or tension. It runs easier

and smoother than any other machine. It forms a flat, even, and compact loop from every other

stitch, each loop being TWISTED by means of

THE "ROTATING HOOK,"

and drawing the twist into the seam, thus securely

fastening every stitch, so that the seam will bear to be cut at frequent intervals, and in that case even, the seam is warranted NOT TO RIP IN WEAR, and under all circumstances to "survive the washout."

Old, worn-out family garments, past repair, are easily taken apart and submitted to our FAIR, FAIR

STITCH, which premiums have been awarded for its

superiority, durability, elasticity and beauty.

A patented device prevents the possibility of the machine being run in the wrong direction, or the balance wheel ever wearing or touching the dress.

THE NEEDLE CAN NOT BE SET WRONG.

Thus avoiding the great trouble of other machines.

NO BREAKING OF NEEDLES.

The blade of the needle is less than three sixteenths of an inch long, and is straight.

WRONG.

Any one may adjust them IN THE DARK.

The blade is straight. No other hammer or file like this will do it like this. It turns the hem on the right or under side as you want it.

IT WILL NOT DROP STITCHES, as the needle is

always set right, the blade short and straight. They are

MANUFACTURED WITH MATHEMATICAL PRECISION.

Hence, each part is interchangeable and can be readily replaced in case of accident. It will last a generation if properly cared for.

None who has used it can be induced to use any other.

The roundness, evenness, durability and beauty of its stitch.

WERE NEVER EQUALLED.

ITS RAPIDITY, ABSOLUTE STILLNESS, FAIR

AND ELEGANCE, HAVE NEVER BEEN APPROACHED

BY ANY OTHER MACHINE.

THE PRESS universally pronounces this THE BEST

FAMILY SEWING MACHINE IN THE WORLD.

Never the merits of the other machines, is it not

more natural to say the WHOLE & GIBBS is worth

far more than any other offered.

It received the GOLD MEDAL of the American Institute—the FIRST PREMIUM for

"THE BEST SEWING MACHINE."

at the great New England Fair—the Vermont State Fair—the Pennsylvania State Fair—the Indiana State Fair—the Wisconsin State Fair—and at many others throughout the West, making more first Premiums than were taken by all other Sewing Machines together in the same time.

IT IS now the Great Leading Family Sewing

Machine.
